WAVE 800

HIGH-QUALITY vaping

A wave of **FLAVOUR!**

WAVE RANGE

RIDE THE BIGGEST
WAVE OF FLAVOUR

WITH WAVETEC TECHNOLOGY!

Wavetec is a cutting-edge technology at the forefront of the disposable vapers sector.

Thanks to it, the new **Wave** devices are capable of achieving more efficient vapor production and better heat management to extract the maximum performance from their coils. This ensures a spectacular flavor and more intense **puffs**.

It's all advantages!
