A wave of **FLAVOUR!**

# BUD VAPE ABOUT US

Bud Vape is a **leading brand** in **disposable pods, e-liquids and nic salts.**

We craft our recipes based on **contrasting flavors and guarantee** a **premium vaping experience** that will delight your senses.

With **over 10 years in the industry**, our track record allows us to perfect our products and achieve the satisfaction of the most discerning customers.

After the successful launch of **OLÉ**, the first range, we present the second one: **WAVE.**

- ◆ **PREMIUM** and stylish design
- ◆ **HIGH-QUALITY** features
- ◆ **TPD-compliant packaging**, 100% regulated

**EXPERIENCE THE ULTIMATE  
PLEASURE OF VAPING WITH WAVE**

# WAVE RANGE

RIDE THE BIGGEST  
**WAVE OF FLAVOUR**

**WITH WAVETEC TECHNOLOGY!**

**Wavetec** is a cutting-edge technology at the forefront of the disposable vapers sector.

Thanks to it, the new **Wave** devices are capable of achieving more efficient vapor production and better heat management to extract the maximum performance from their coils. This ensures a spectacular flavor and more intense **puffs**.

It's all advantages!

**550 mAh**  
BATTERY

The background of the advertisement is a collection of colorful, rectangular vape cartridges scattered on a dark wooden surface. The cartridges are in various colors: green, teal, pink, purple, and light blue. Each cartridge has the word 'WAVE' printed on it in a stylized, white font. Some cartridges also have specific flavor names and 'MAX' labels. For example, a pink cartridge is labeled 'STRAWBERRY POMEGRANATE', a green one is 'KIWI WATERMELON MAX', and a purple one is 'CHERIMOYA FOREST FRUITS ICE'.
